### What is an NRG Stylist<sup>sm</sup>... besides the best kept secret in Hollywood?

An NRG Stylist<sup>sm</sup> works in complete and  
sacred confidentiality to clear the bad vibes,  
distraction and energetic funk that keep you  
stuck. An NRG Stylist<sup>sm</sup> can and will  
open your soul and life to create  
incredibly powerful and  
positive change in your life.

An NRG Stylist<sup>sm</sup>  
is not a life coach;  
not a motivational speaker;  
not a therapist; not an agent;  
not a doctor, nor an attorney.  
Her work honors holistic  
concepts, Quantum physics and  
moves the mountains of energy  
(within) that keep you from  
shining.

*"I hired Brenda PanTango as my

new direction for my talent, since  
our work together. I am excited for  
the first time in years! I don't have to  
understand how energy work transforms  
lives and careers, and brings out the best  
in a person, I just know it works. Energetics  
Management<sup>sm</sup> for a year - I wouldn't be  
without it at this critical time in my life!  
I believe in myself again! I am peaceful  
inside and happier than I have ever been.
